Sponsorship Visibility

The new center is located in the heart of Wantagh, on Wantagh Avenue and will have an abundance of visitors from all over Nassau and Suffolk County.

The Family Fun Center will not only be used for parties but for all our collection drives and operations included but not limited to: our Toy Drive and Back to School Drive. Our Holiday Toy Drive collects over 100,000 toys and gifts throughout November and December. Many of the donations are dropped off at the center during our collection hours. Thousands of visitors attend the center giving ample exposure to the sponsors. The visitors range from businesses, schools, families and various groups coming from all over Nassau and Suffolk Counties. We often give tours of the center as well, providing the donors and volunteers with an understanding of what we do and how the center operates. Many volunteers assist during the year with day-to-day operations.

The center will be open for parties and functions six to seven days a week. We will average two to three parties a weekend. Each party at the center will have approximately thirty children and their parents, that's over one hundred and eighty guests each weekend, just for the parties alone. With this new location, parties will be held both inside and outside the center.

We often hold bake sales and yard sales throughout the year, which attract many guests to the center. Your grant will be mentioned on our main page as a founding member for the new center along with any link or ad you would choose to use. Our website, just during the months of October, November and December get one million hits each month. We will have a founder's page dedicated to highlight the centers top sponsors.

With your permission, we would recognize your gift in the following manner:

- Sponsorship/naming opportunity within the center (if desired)
- Placement on the Founding Donor Wall
- Recognition on campaign materials
- Recognition on website
- Recognition on signage at events (announcement, grand opening etc.)
- Social and other media campaigns
- Other opportunities as they arise.

Additionally, we will provide updates on the status of the project's fundraising progress.

For more information about naming opportunities, please contact John Theissen
