

JOHN THEISSEN
CHILDREN'S FOUNDATION
Family Fun Center
Helping a Kid Be a Kid

The new Family Fun Center will provide hours of fun for sick and underprivileged children and their siblings. The center will have three separate areas. Area # 1 will have twelve 32" flat screen televisions mounted on the walls and each one will be equipped with an XBOX 360 or PlayStation 3 game system. Area #2 will have four 32" flat screen televisions mounted on the wall and each one will be equipped with a Wii game system and a Rock and Roll Karaoke system. Area # 3 will be our arts and crafts area with face painting, tattoo stations and more.

The Family Fun Center will help these children and their families focus on something other than their illnesses or their financial situation. The center will be open for our large group parties of up to 150 children. The center will also be available for the children to celebrate their birthdays or end of treatment parties at no cost. The Family Fun Center will be open seven days a week for the children to enjoy anytime, so they can feel like a regular kid.

The benefits of the Family Fun Center are; low-income families and families with a child suffering from a life threatening illness can provide their children with parties to celebrate special events such as but not limited to birthdays. Children can have their parties at the center at no cost to their families. The center will provide hours of fun for these children that would normally go without having a party. Children can come alone or attend with their siblings to enjoy the activities offered. They can also have a group party.

The children will be identified and referred to the organization by their doctors or social workers. Children ages infant to eighteen years-old are eligible to take part in the Family Fun Center. The Center is free for sick and underprivileged children and their families for enjoyment.

Entertainment Center Sponsor: Fifteen opportunities available { } \$1,500.00

Sponsor one of the fifteen entertainment systems. Your sponsorship will be noted on a 12w x 9h plaque with your name on it mounted permanently next to the entertainment system you have sponsored.
